ABOUT US

Individuals often find they lack the expertise and time to plan events themselves and this is such a marvelous discovery for every clients-to-be. Teguh Everest Sdn. Bhd. is the ultimate one-stop center based in Sabah "Land Below the Wind" and wholly-owned 100% Bumiputera company with many years of professional experience from its root since the late 1990's as service providers and now become known as event management.

With our vision is "making our clients different with our personal touch", we will keep remaining our consistency in quality and trust by taking our responsibility as your chosen service provider in very seriously based on our 6 'P's business core values.

We are your resource for event planning, management and production. Regardless of the challenges we faced while executing your events, we promised by offering a well-trained team who are committed to work in alliances with you from the planning stage of each event, and step by step from ideas to inception to execution to make your event the best it can be.

We believed our business core value will create the WOW factor ensuring your event is lively and memorable for all the right reasons as well as to keep you happy, and most importantly coming back to us!
